MP FOUNDATION

UKRAINE . SUPPORTING HEROES . SAVING LIVES

APPOINTMENT OF AMBASSADOR

Dr. William "Bill" Hewak

M.D., M.P.H.

Effective 5 October 2026 . Chernivtsi, Ukraine

This appointment is made in formal recognition of Dr. Hewak's outstanding contribution to the support of the Ukrainian people and their resistance, and of his sustained commitment to the Foundation's mission. Through his generosity and advocacy, the Foundation's work has supported Ukrainian defenders through defensive drones, power systems, vehicles, rations, individual medical kits, and mental health support.

On behalf of every soldier, medic, and first responder whose life has been touched by such acts of generosity, the Foundation extends to Dr. Hewak its highest honor, deepest respect, and sincere gratitude for his steadfast public support of Ukraine.

At a time when the world's attention can shift and fatigue can set in, Dr. Hewak's voice, resources, and commitment have remained unwavering. His continued willingness to stand publicly with the people of Ukraine represents a contribution of exceptional value to the Foundation and to the cause it serves.

As Ambassador, Dr. Hewak is invited to lend his advocacy, counsel, and medical expertise to the Foundation's work; to contribute to strategic planning and campaign development; to introduce the Foundation to physicians, institutions, and other partners within his professional and personal network; and, wherever and whenever he chooses, to speak publicly in support of Ukraine and its defenders.

This appointment is made with profound gratitude and respect for his service, his generosity, and his enduring commitment to Ukraine.
